- Polls show that the number ONE trait women look for in men is **confidence**. Confident men have more dates and friends.
- Social confidence is a better indicator of **professional success** than your college GPA. When scientists studied salaries, they found **popularity** is a better indicator of a high salary than talent!
- Men with killer confidence are **happier** and less frustrated

In the **Killer Confidence** classes, you will learn the secrets of:

- Changing your perspective to be more outgoing, funny, assertive, and relaxed in any situation.
- Developing the confidence to attract women, get more dates, and win over business contacts.
- Being in charge of every situation, so you can direct **your** life the way **you** want.
- Assertively communicating your needs and wants to anyone so they will listen to your ideas.
- Developing perfect body language to subconsciously show others you are killer confident.
